

Safety Rangers Theme Song

Safety Rangers heroes to all
Defenders of the innocent big and small
When in need they're always on call
Safety Rangers heroes to all

Safety Rangers will show you the way
To practice safety, each and every day
Keep far from danger
Don't talk to strangers
Be safe with two
A friend and you

Smart kid, safe kid, join the fight
Join the Rangers in doing what's right
Smart kid, safe kid, join the fight
Smart kid safe kid, do what's right

Safety Rangers (repeat)

Safety Rangers will show you the way
To practice safety, each and every day
Keep far from danger
Don't talk to strangers
Be safe with two
A friend and you

Safety Rangers heroes to all
Big kids, little kids, friends to them all
Safety Rangers, yeah!
